Portfolio: sam-brittain.com

Objective

Dedicated student pursuing a Bachelor of Science degree in Graphic Communications with strong interests in digital design, sports, and visual storytelling. Seeking opportunities to contribute creatively while gaining professional experience that bridges design, technology, and communication.

Education

Clemson University

B.S. in Graphic Communications — GPA: 3.7 - Expected Graduation: December 2026

Software Skills

- Adobe Photoshop
- Adobe Illustrator
- Adobe InDesign
- Python
- HTML & CSS
- Catapult Thunder (XOS)
- Maya

Experience

Christmas Tree Attendant, Hilltop Christmas Tree Farm

Six Mile, SC — November 2021 – December 2021

- Customer service, working on sales, and answering questions
- Pre-opening, helped set up the layout of the farm, helped green (apply water-based, non-toxic colorant) the trees, and unloaded the tree types being imported before opening.
- After opening cut, moved, netted, and tied trees to cards
- Created decorations like wreaths out of fallen branches

Student Video Intern, Clemson Football

Clemson, SC — January 2024 – Present

- Film and edit practices and games for use in coaching and analysis.
- Cut and organize film for game planning and internal review through the XOS program.
- Collaborate with video staff and coaching teams to ensure quality and efficiency.

Additional Experience & Interests

- Lettered four years in Cross Country and Track at D.W. Daniel High School.
- Experience with photography, videography, and printing processes.
- Strong interest in sports design, science communication, and media production.
